Re: Transportation to  
St Narsai Assyrian Christian College  
(Horsley Park New Site)

Dear Parents and Caregivers,

As you might already know from attending this week's special meeting on Transportation to the new school site in Horsley Park, the NSW Transit Authority's decision was to only provide three buses from the T Way in Stockland Wetherill Park.

After listening to your concerns at the information evening, we met with other Assyrian Schools executives and made some decisions to support our students and families with this important matter.

The school can reassure parents who drop their children to the T Way located at Stockland Wetherill Park in 2018 that a staff member will be on site to supervise your children and ensure that no child is left behind on the station unattended for the first few weeks.

We are also putting forth a petition to relevant authorities seeking an increase in the number of routes or services to our school. You will soon receive a link that will allow you to sign the petition.

Additionally, the College has decided to provide buses from St. Hurmizd Primary School for students who have siblings at St. Hurmizd only at the start of 2018 for a transition period and evaluate the arrangement each term whilst at the same time advocating for NSW Transit Authority to provide a bus service from St Hurmizd to St Narsai at Horsley Park.

We are continuing our communication with Transit NSW in the hope of acquiring more services from other locations. We will endeavour to keep you informed of any new information about this matter.

Kind Regards,

Brian Kennelly  
Head Principal of Assyrian Schools
