

Excursion Letter

Dear Parents,

Each year the children have opportunities to participate in a variety of excursions and incursions as well as sporting programs and carnivals. These excursions, incursions, programs and carnivals are integral to the children’s learning. It is the expectation that all children participate in all of these events, unless they are sick or injured.

Instead of having a separate permission note for each event, I ask that you sign the permission note below. **This gives your permission for your child to participate in all planned excursions, incursions, sporting programs and carnivals for the year.** The teachers will continue to provide you with detailed information about any event in which your child will participate. Of course, if your child is unable to attend an event, you simply need to send the class teacher a note explaining the reason of the absence or non-participation.

Please sign the permission slip below and return it to school. I ask parents **to sign a separate permission note for each child** as each class teacher will keep these signs on record for the whole year.

Thank you for your support.

Yours Sincerely,
Mr Benjamin Khoshabeh
Principal
